RE: Michael Benton Docket No.'s 07-S-1394 & 1395

Dear Mr. Taylor:

Enclosed please find a statement for services other than counsel, the approved motion for services, and a time breakdown of the investigation in reference to the above captioned matter. Please be advised that the original motion was filed and approved within the Auburn District Court (Docket No. 06-CR-3149), however, this matter now is being resolved at the Rockingham County Superior Court where we were advised to submit this statement.

The allotted time for the investigation in this matter caused us to slightly exceed the approved amount of \$5,000, however we are invoicing for the approved cap and are waiving the exceeded fees. If you have any questions or concerns relative to this billing, please feel free to contact the office at (603) 431-6669.

Sincerely,

Frank R. Santin
