

Instructions for completing
Assent
(NHJB-2121-P)

Form use. This form is used to show that the interested parties who are listed in the court's case file agree with the document being filed with the court. By signing the assent form, the interested party agrees to the document being submitted and this allows the court to make a ruling on the document without further notification from the court.

Top part of form

- COURT NAME:** Enter the name of the county probate court where the document will be filed. (example: Belknap County Probate Court; Rockingham County Probate Court).
- CASE NAME:** Enter the name of the deceased (example: Estate of John Adams; Estate of Susan Jones).
- CASE NUMBER:** Leave blank if not yet assigned by court OR fill in case number if it is known.

Main part of form

The first sentence of the assent form must properly identify the document being filed with the court. Put the name of the document in the blank space.

Each person signing the Assent form is indicating his or her agreement with the form identified in the first sentence and being filed with the court. Have each interested party sign on one of the lines in the second column. Each party's name should be printed below his or her signature and dated in the appropriate space to the left. Enter each party's complete mailing address, including zip code, in the "Address" column.

Review the completed form for accuracy prior to filing it with the court. If completing this form on-line, some fields may be filled in automatically based on entries in other fields. If more space is needed for any question, please attach additional sheets of paper.
