

How to File an Initial Guardianship Case in TurboCourt

1. Go to the court's website at www.courts.state.nh.us. In the top right hand corner, click "Go to Electronic Services including e-Filing".
2. Select the Self Represented Parties and other Non-Attorneys link in the middle of the page. Then, click E-File Here. This brings you to the TurboCourt site.
3. If you have not already done so, you must sign-up and choose a username and password.
4. Select Guardianship – Start a New Case. You are now at the screen where you must choose your jurisdiction. It is important to select the correct answer from the drop down. If you are unsure which location to select, there are links on this page to assist you. After you select which type of guardianship case you are filing (person, estate or person and estate) you must select your court location.
5. Because this is an initial filing, you will be asked to provide petitioner, ward and guardian information. You will be asked to complete name, address and birth date (if applicable) of the parties. You also have to provide facts and incidents involving the minor to demonstrate why a guardianship is necessary.

Continue to follow the prompts, answer each question and click the Next button.

Clicking the Next button automatically saves the data to your TurboCourt account. You must click Next after each question asked.

6. This brings you to your payment options. You are also given an option of asking the court to waive your fee. Based on your response, the TurboCourt program will either generate the financial forms or ask you to attach them.
7. *The Petitioner must verify that all answers and information are accurate.
8. This brings you to Step 1 of 3: Review and Prepare Documents. Your completed forms will have a green check mark on them and are ready to be filed. The forms with a red exclamation mark are forms that are required or that you said you intended to file and must be attached at this time. If the forms are not attached, the program will not allow you to proceed.
