The New Hampshire Supreme Court reviews each discretionary notice of appeal and decides whether to accept the case, or some issues in the case, for appellate review. The following acceptance criteria, while neither controlling nor fully describing the court's discretion, indicate the character of the reasons that will be considered.

1. The case raises a question of first impression, a novel question of law, an issue of broad public interest, an important state or federal constitutional matter, or an issue on which there are conflicting decisions in New Hampshire courts.
2. The decision below conflicts with a statute or with prior decisions of this court.
3. The decision below is erroneous, illegal, and unreasonable or was an unsustainable exercise of discretion.

Separately number each issue you are appealing and for each issue: (a) state the issue; (b) explain why the acceptance criteria listed above support acceptance of that issue; and (c) if a ground for appeal is legal sufficiency of evidence, include a succinct statement of why the evidence is alleged to be insufficient as a matter of law.

15. ATTACHMENTS

Attach to or include with this notice of appeal the following documents in order: (1) a copy of the trial court decision or order from which you are appealing; (2) the clerk's notice of the decision below; (3) any court order deciding a timely post-decision motion; and (4) the clerk's notice of any order deciding a timely post-decision motion.

Do not attach or include any other documents with this notice of appeal. Any other documents you wish to submit must be included in a separate Appendix, which must have a table of contents on the cover and consecutively numbered pages.
