Administrative Order 2014 – 003

RESULT OF DEFAULT ORDERS

In all civil cases, if a motion for final judgment is not filed within 60 days of the clerk's notice of decision issuing a default in that case, the clerk shall close the file. This shall not preclude the plaintiff from filing a motion with the Court requesting that the matter be reopened. The plaintiff shall not be required to pay a fee to reopen a case that has been closed pursuant to this order.
