Administrative Order 2011 – 47

The purpose of this administrative order is to facilitate the disbursement of regularly issued orders, including Notice of Eligibility and Appointment of Counsel orders, and transfer orders.

In light of the new policy recently implemented that requires the clerks' offices to appoint the public defender in all indigent cases, clerks are hereby authorized to affix an electronic signature of the Chief Justice on all Notice of Eligibility and Appointment of Counsel orders. Such an electronic signature shall be valid and render the appointment order enforceable.

The executive secretary to the Chief Justice is hereby authorized to affix an electronic signature to all orders transferring cases from one county to another.

In no other instances shall the electronic signature of the Chief Justice be affixed to any order without specific permission of the Chief Justice.

Dated: October 13, 2011

Tina L. Nadeau
Chief Justice
